
Gamay d'Euloz

2023

Chanton d'Euloz terroir (gneiss), 770 metres above sea level.

Wine

Produced in an extreme, high-altitude terroir, this characterful Gamay is redolent of pepper, smoke and the finest spices. It is very juicy on the palate, built on fine, very ripe but fresh tannins. An intense, racy Gamay.

Wine-making

Partial or total whole bunch vinification, ageing in casks and WineGlobe for 12 to 18 months, then in bottles for 3 to 18 months.
