
Leitmotive

2022

Plamont terroir (gneiss), 700 metres above sea level.

Wine

The Petite Arvine grape is vinified here in the same way as Rieslings from the Moselle: low alcohol content, pronounced acidity and a hint of residual sugar, perfectly balanced. Another interpretation of the grape variety.

Wine-making

Vinification and ageing in vats on lees, then in bottles for 3 to 24 months.

Grape variety	Alcohol
100 % Petite Arvine	14°
