
Petite Arvine

2022

3500 bottles

Vines mainly located in Leytron, but also in Fully. Les Prix and Produit vineyards. Loose schist and clay-limestone soils.

Wine

Unlike the Fully terroir, the Leytron terroir produces a more supple and rounded Petite Arvine. It is nonetheless aromatic, refined and juicy. Immediately accessible, it offers a supple and seductive introduction to the grape variety and our terroirs.

Wine-making

Vinification and ageing in vats on lees.
