
Gamay

2023

A blend of several plots from the bottom to the top of the Fully hillside (Follatères, Plamont, Euloz), but also from Saillon.

Wine

Gamay on granite and gneiss terroirs is pure poetry! The wine is fresh, with aromas of red berries, such as strawberries and raspberries, giving it a light and crisp character. When aerated, it develops more spicy aromas of clove, white pepper and smoke. On the palate, it is an energetic, sapid and refreshing wine with a beautiful character.
